

Specifications

Attributes

Amperage	15.0
Chuck Design	Keyless
Chuck Size	1-1/8 in
Decibel Rating (dB)	105.0
Height	6.0"
Impact Energy/EPTA (ft. lbs.)	43 Ft.-Lbs. EPTA
Length	30.75"
Material	Metal, Rubber
No Load BPM	1,000
Rating	120 V
Voltage	120V
Weight	63.2lb
Width	25.0"
Works With	Dust Extraction/Collection Hood HDC400
Includes	Deluxe Hammer Cart, Two Star Point chisels, Two narrow chisels

Active Vibration Control

Longer air cushion in the hammer mechanism

Ergonomic shock-absorbing handle

Power - 43 Ft.-Lbs. of impact energy

Just 63 Lbs. in weight

Service Minderbrush system

Grease-packed gearbox

Deluxe Hammer Cart, two narrow chisels and two star point chisels

Total portability - operates on 115/120 V AC/DC

Service Minderbrush system shuts the Brute off when brush replacement, lubrication or preventative maintenance is needed

Deluxe hammer cart doubles as a hammer hauler and a hand truck, truck rails allow cart to be easily raised or lowered from a truck, solid foam tires provide jobsite maneuverability without risk of flats and grommets prevent chisels from falling out
